

## Mobile Poultry Processing Unit Rental Procedure

Requirements for renting the processing trailer.

- You will need a vehicle that is at least a  $\frac{3}{4}$  ton to haul the trailer.
- The size of the ball for the trailer hitch is 2 5/16”.
- A copy of your auto insurance showing the amounts of coverage.
- Some of the equipment is heavy and must be moved to process poultry. Plan to have 2 (or more) people available.
- Provide 2 checks – A check for the rental and a check for the deposit. (Deposit check will be returned if trailer checks out to be clean and everything in order.)

Steps for renting the processing trailer.

1. Check the calendar to decide on a date.
2. Contact the processor manager to secure the date.
3. Fill out paperwork and bring it with you when picking up the trailer. Bring the following:
  - Completed Rental Agreement
  - Copy of Auto Insurance coverage page
  - 2 checks – one for rental fee and one for deposit.
4. Arrange a time to pick up the trailer. When picking it up plan on spending 45 minutes to an hour to receive training on the equipment.
5. Arrange a time for returning the trailer. The trailer should be clean and free of all debris.
